Intro E7 Play 4x

D K! Don-key Kong!

H-h-here we go!
So they're finally here, performing for you.
If you know the words, you can join in too!
Put your hands together, if you wanna clap.
As we take you through this monkey rap. Huh!

Donkey Kong E7 Play 6x

D K! Don-key Kong! D K! Don-key Kong is here!

He's the leader of the bunch. You know him well.
And he's finally back to kick some tail.

His coconut gun can fire in spurts.
If he shoots ya, it's gonna hurt!
He's bigger, faster, and stronger, too.
He's the first member of the DK Crew! Huh!

Tiny Kong E7 Play 6x

D K! Don-key Kong!

This Kong's got style, so listen up dude!
She can shrink in size to suit her mood.
She's quick and nimble when she needs to be.
She can float through the air, and climb up trees.
If you choose her, you'll not choose wrong.
With a skip and a hop, she's one cool Kong! Huh!

Lanky Kong

E7

Play 6x

He has no style. He has no grace.

D K!

Don-key Kong!

D K!

Don-key Kong is here!

This Kong has a funny face.

He can handstand when he needs to,

And stretch his arms out just for you,

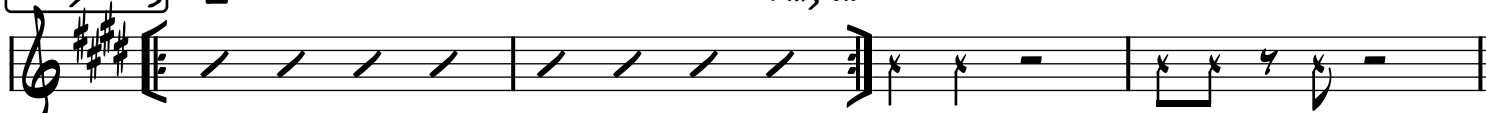

Inflate himself just like a balloon.

This crazy Kong just digs this tune. Huh!

Diddy Kong

E7

Play 6x

D K!

Don-key Kong!

He's back again and about time, too.

And this time, he's in the mood.

He can fly real high with his jetpack on.

With his pistols out, he's one tough Kong!

He'll make you smile when he plays his tune,

but Kremplings beware, 'cause he's after you! Huh!

Chunky Kong

E7

Play 8x

Spoken: Come on, Cranky, take it to the fridge!

Wa – wa – wa –

Finally, he's here for you.

It's the last member of the DK Crew!

This Kong's so strong, it isn't funny.

Can make a Kremling cry out for mummy.

Can pick up a boulder with relative ease!

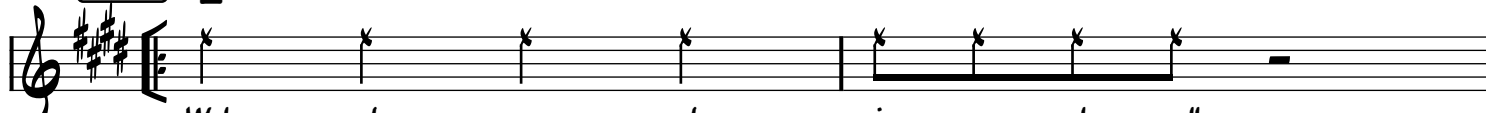

Makes crushing rocks seem such a breeze.

He may move slow. He can't jump high.

But this Kong's one hell of a guy! Huh!
